Sir:

Enclosed are two originals of the Certificate of Correction form where errors that are mistakes of the Patent and Trademark Office's are corrected. The errors are:

In claim 1, column 5, line 4, delete "first and second," and insert --different--.

In claim 1, column 5, lines 5-9, delete "the first and second axial directions being different such that the coupling of the first end and the transition region occurs in the first axial direction and the coupling of the second end and the transition region occurs in the second axial direction," and insert --the transition region terminating at first and second termination locations such that the first end is in a first axial direction immediately adjacent to the transition region and the second end is in a second axial direction immediately adjacent to the transition region--.

JUN 07 2005

In claim 9, column 6, lines 1-3, delete "the terminating points of the curved loop are provided in the different axial directions" insert --the first end is in a first axial direction immediately adjacent to the transition region and the second end is in a second axial direction immediately adjacent to the transition region--.

Should any fee under 37 C.F.R. § 1.20(a) be required for any reason, the Commissioner is authorized to deduct said fee from O'Keefe, Egan & Peterman Deposit Account No. 10-1205/EASY:022.

Respectfully submitted,

---
